

Scout on a none buy map?

Posted by Redo97 - 17 Feb 2011 09:46

Well.. I was playing recently, and a player called PLOU used scout. I will add the picture, and please, Do something about the people that is so arrogant against the rules...

A scout can be found on aimshapers so its an allowed weapon, the awp on other hand can't so isn't allowed
