## Saturdays Testing - POST CRASHES HERE
Posted by VooDoo - 13 May 2011 16:06

_____

well, as pooky has told us, there will be testing on saturday, any of the players that play can post the crash times (if there is any) here, i have been advertising on the server that the players should post the times of crashing on the forums so that we are well informed if any crashes occur..
