Hey all,

Something has come to my attention.

WCS: Thriving

GG DM: Thriving

Surf DM: Dying

Any suggestions to make it more popular?

I might design a TWK skin pack...?

Suggestions here.

I bet they are all scared of you with your admin powers.

OT: I also noticed a decrease of the gamers on the surf DM, i don't know how it comes.

Oh, so what, I ban people that kill me more than once, does that make me a bad admin?!

I joke ofc.
