

## **Skyblock**

Posted by GeneralDonno - 24 May 2013 15:28

---

For the time being, Skyblock is only accessible to a few players. If you wish to have access to skyblock, please make a response asking. There is no guarantee that you will be given access.

Sorry for any inconvenience this may cause.

yes, I'm saying that only a few people have access out of everyone bar staff. This is due to the fact that skyblock is broken as hell.
