Crappy vulcano...
Posted by Pooky - 15 Apr 2010 19:20

hi all

just posting this to let you guys know that i was supposed to take a flight back from Spain tommorow

But as there is a vulcano erruption going on in Iceland, i II prob be stuck here for several days. And it s rainy here so i m not too keen on that, Iol

I was gonna do some fixing on the wcs server, but that II have to wait i m afraid

Greets from the not so sunny Costa Del Sol
