Disaster in Japan Posted by liger - 28 Mar 2011 00:55
unless ua re amish u know what happened
next footage shows the best just how destructive it was
Re: Disaster in Japan Posted by Mr.Moo - 28 Mar 2011 06:02
wow.
Stuff like this makes me nervous for 2012.
Feel very sorry for those of Japan and hope they overcome the disaster.

The founder of Pokemon wasn't killed during the Japan disaster.
That was a rumor spread through Twitter and turned into a meme.
Check his twit-blog, there's a tweet that states " Why does everyone think I have passed

away?"

oh, just heard alot of ppl talking about it, and believed it
