Something bugging me (grammer nazi's get together) Posted by liger - 09 Jul 2011 11:16
Never really cared about the correct spelling as long as i can read/comprehend it (in informal chat)
But this has started to bug me (prolly coz so many people have been pointing it out):
our/ur: means it belongs to you
ou are/u are/NOT "ur": doesnt get more basic than that
What i really dont get is how the native speakers make a mistake in there?
