| All these links makes me wonder if USA really had something to do with this. The videos in the net, describing this, mostly, turned against the USA. But on the other hand, maybe this is what the responsible want us to think, that it that did this. | |
| What do you think? | == |
| Re:9/11 Posted by Luckie - 24 Aug 2008 18:04 | |
| yeah the USA did do 9/11 | |
| I wrote an English essay on it in third year and my english teacher said that the s sensationalist rubbish lol | ubject was a load of |
| But yeah read "Dude, Where's my country?" by Michael Moore and al | lso watch his film |

The South Park episode that takes the complete piss out of both sides of the argument's quite funny too
