So basicly two guys went to the valve HQ to protest for halflife: episode 3.

They had a nice time there meeting gabe newell(creator of tf2) and they even got some pizza from him but the funny part is when someone called the police to get rid of the protesters and it turned out the police officer was a huge Team Fortress fan and he was like "fuck yeah i'm protesting from now on, let me get my sign!"

I lol'd
