

Santa is a rapist

Posted by slaB - 10 Jul 2009 11:51

This is sooo funny xD

Go on this site, it's a chat bot, it answers questions and asks some simple question. It's very dumb, but funny the first 10 minutes. Anyways, go in this site: santabot.com/onclick=">window.open(this.href);return false; And then you'll type this question: "How many women do you rape per day?"

L O L

=====
