watch the pro's ?
Posted by eskimo - 18 Feb 2009 14:45

_____

www.quadv.com/ondemand/#/game/2-cs-s

is a good site to watch the pros from all tournys play.

www.gotfrag.com   also has css demos from pros if ya wanna watch them xD

_____

If you like QuanV You should also join their steam group. QuadV-Jay will send you the source tv about
10 mins before matches start.
