TWK has a match clan, if that is what u mean, but the members are fairly in-active. this is not my words, but it has been said by one of the members

your humble servant

Reality

we have had comunity competitions in teh past aye, if you mean match wise our competitive clan is inactive as it stands our core team got busy with life and so we didnt have the numbers, any intrest in either is always apreciated and im sure we can try and sort things out (time permitting ofc;) )

(was a pretty experienced team too such a shame we havn't started up again)
