

Metallica + Lou Reed = Lulu

Posted by liger - 13 Nov 2011 21:12

en.wikipedia.org/wiki/Lulu_%28Lou_Reed_and_Metallica_album%29

So is it me or those 2 dont go together?

Im enjoying the music but the Lou Reed's talking on the background absolutely kills it for me

No you dinger, read the title of the vids, they are vids of Lou Reed and Metallica playing together and it sounds terrible with his voice over the rock..
