

## You know Doom Metal?

Posted by VoGon - 16 Oct 2009 23:56

---

One of my all time favourite bands.

(Warning, very specific style of metal, not everyone's favourite, listen if you are in the mood of &quot;learning&quot; something about some styles)

Kings of Doom Metal.

### **Candlemass**

This is taken from Nightfall one of their concept albums. Its a story from beginning to end. Not usual nowadays and I miss it...

At the Gallows End

[youtube:91bjn41g][youtube:91bjn41g]

And from their first album &quot;Epicus Doomicus Metallicus&quot; without Messiah Marcolin as their vocalist and Johan Lanquist as vocals

[youtube:91bjn41g][youtube:91bjn41g]
